

## Expoziția fotografică „We the people” – 25 de ani de parteneriat strategic SUA - România

Pe 11 iulie 2022, poporul român și cel american au sărbătorit 25 de ani de la lansarea Parteneriatului Strategic între Statele Unite ale Americii și România. De-a lungul acestui interval, cele două țări au conlucrat pentru a consolida relațiile bilaterale, a promova democrația și a asigura securitatea tuturor cetățenilor lor. Pentru a evidenția această călătorie democratică inspirațională, Ambasada SUA la București dorește să sărbătorească realizările noastre comune printr-o într-o expoziție fotografică itinerantă, surprinzând și păstrând prietenia româno-americană din ultimii 25 de ani. Această expoziție este una unică în lume și evidențiază aspecte semnificative pentru relațiile bilaterale în contextul Parteneriatului Strategic Româno-American. Cele trei dimensiuni ale Parteneriatului Strategic (cooperare în domeniul securității, prosperitate economică, înțelegere reciprocă - schimburi culturale) sunt reprezentate vizual și tematic în expoziție. Fotografiiile au fost selectate din Flickr al Ambasadei SUA, arhiva Ministerului Afacerilor Externe și din arhiva Agerpres.

O parte din această expoziție este expusă Campus Corp A, etajul al II-lea, la filiala American Corner a Bibliotecii Universitare „Ioan Popișteanu” a UOC.
